

# Aylesbeare Parish Council

October Meeting – Agenda Item -

Email from Cllr Warren – 8<sup>th</sup> Oct 2021

Village Way Within Lane Corner,

Could we purchase 3/4 longitudinal signs saying “No Parking” and Mount them on posts and position them on the verge in an effort to prevent parking. If these are made of wood should an accident occur they will have minimum effect on the accident?

If concerned or want further advice we could consult DCC road safety team?
