

AYLESBEARE PARISH COUNCIL

MINUTES of the meeting of Aylesbeare Parish Council held in the Foxwell Room at Aylesbeare Village Hall on **Wednesday 2nd July 2025** at 7:15pm.

PRESENT

Cllr Anna Thompson (Chair)
Cllr Mark Branson (Vice-Chair)
Cllr Tracie Cooke
Cllr Jacky Owen
Cllr Nick Warren

ABSENT

Cllr Debbie Banks

IN ATTENDANCE: Three members of the public
Jim Roberts (Clerk and RFO)

1 Chair's remarks

Cllr Thompson opened the meeting and welcomed everyone to a thankfully cooler evening. She had been away for 3 weeks but understood that Aylesbeare Parish had suffered many road closures recently and that the water supply had been cut off to part of Aylesbeare village. There will be a clean up at the Church this weekend, she encouraged all to attend if they could even if only for a short time.

2 Apologies for Absence

Cllr Banks could not attend as she is overseas. Council **RESOLVED** to accept the reasons given.

3 Declarations of Interests in items on the agenda

None.

4 Open Public Forum

The first speaker asked about the telephone kiosk. She understood that it was going to be renovated after Cllr Owen had emptied it. The area is looking shabby with the overgrown vegetation by the bridge and the kiosk doesn't help. The owners are busy and have young children. Cllr Owen will enquire with the owner about progress and whether they would like any help.

The second and third speakers spoke about Topics and the difficulties with the clerk. They had hoped to have the minutes available by the 12th each month so that they can be included in Topics. The clerk apologised that May's minutes weren't available and thanked the speakers for pointing out the absence of the minutes on the website. The speakers hoped that the clerk could email the minutes in time in future so that the residents can receive Topics in time to consider attending the following month's Parish Council meeting if there are items of interest.

The meeting discussed making Topics available online as not the whole Parish is covered with physical deliveries, especially Perkin's Village. The clerk agreed that he could upload a .pdf copy to the Council's website.

Council was grateful to the speakers for taking on the editing of Topics.

The speakers explained that Topics was opening a bank account with Santander which should incur no regular fees. This was delayed as Santander had postponed the application until mid-July.

The speakers hoped to manage Topics on advertisement fees alone and wanted the Council to divert any money saved to the Rec, Play Area, Village Hall and the Church as the Council sees appropriate.

The speaker also advised that some information on the Parish Council's website is out-of-date and some of the links do not work. The clerk advised that he did review the website annually and this is due this month after this meeting. The speaker thought it would be best if the Planning and News sections were renamed as the information is very old.

The speaker also advised that there was minute-taking software available that might make the clerk's job much easier.

5 Minutes

Council **RESOLVED** to approve minutes of 7th May 2025 and the Chair duly signed them.

6 Report of the County and District Councillor

D & C Cllr Bailey had an LGA meeting that clashed with this meeting. *[Shortly after the meeting her apologies were received.]*

7 Parish Matters

7.1 Enforcement on B3180 site

The site is just in this Parish and has begun building activity including a site office/tool store container, a Shepherd's Hut on a concrete base and possibly a septic tank. The EDDC Enforcement Officer has visited the site and has been told that an application for planning permission will be submitted shortly. Council understands that taking Enforcement Action is not in the public interest due to the imminent application.

Permission for a new dwelling on this site was refused recently and was unsuccessful on appeal, although Council understands the land has been sold to a new owner.

7.2 SpeedWatch

Cllr Owen reported that it's ongoing and there were now two more volunteers. She is now co-ordinating with the volunteers to arrange training.

7.3 Aylesbeare Water Plant

South West Water have reported that the new attenuation tank is now in operation and helped with the heavy rains over Easter. However, the plant did overflow during rainfall on June 12th/13th for 18 hours and 2 minutes. Council welcomed the new tank and trusts that the overflow was an exceptional event.

7.4 Water Leak top of Village Way

Cllr Warren understands this is the tenth leak on Village Way in the last eight years. A resident asked an engineer who advised that the mains pipes are only replaced if there are 15 leaks per year in a stretch of pipe. Council encourages everyone to report leaks promptly as this is the only chance of having the pipes renewed.

7.5 Noticeboards and Rec Work

The Chair reported that the contractor lined up for the work has had to withdraw his offer to help due to health reasons. Council sends very best wishes to the contractor. The clerk will try to find a new contractor and Cllr Warren will assist with site visits.

7.6 Cllrs Registers of Interests

Cllrs who are unsure will check their ROI and confirm any changes.

7.7 Swift bricks

The Government has rejected the inclusion of swift/swallow bricks as an obligation in the new Planning reforms. Council understands that this may well be included in future revisions to Building Regulations as this will be an effective way of including them in new buildings.

7.8 Community Infrastructure Levy Receipts

Council now has £5,137.45 in Community Infrastructure Levy and will consider where it can be best spent. There is a need to improve the gates/stiles and fencing on the Rec & Play Area which is the most

likely area of expenditure.

8 Planning

8.1 Ratification of Comments Submitted

8.1.1 [25/1087/PDQ](#) Shutebridge New Dwellings

Council **RESOLVED** to ratify the comments submitted by the clerk using the resolution at April’s extraordinary meeting for the previous application by the same developer.

The comments submitted were:

Aylesbeare Parish Council strongly objects to this application on the following grounds:

Aylesbeare Parish Council cannot see why this application should be assessed the under earlier PDQ rules. The Council considers this does not meet Town and Country Planning (General Permitted Development) (England) Order 2015 Q1 (p) as the proposed site does not own the access to the road it is proposing to use and permission for the new development to use this access is unlikely to be given.

The planning application has numerous inaccuracies including the address of the site, names and locations of the buildings, the boundaries & curtilages and the access lane. It should be particularly noted that the plans show the site extend one metre into the neighbouring property, Shutebridge Old Farmhouse. Indeed, the application identifies the nearest property as Shutebridge Farm when the Old Farmhouse is actually the closest.

Traffic access is planned very close to a junction on a sharp bend of a narrow, busy road with poor drainage and a 60mph limit. It is difficult to see how there can be visibility splays of the necessary length. There is a lot of traffic, often at dangerously high speeds along Marwood Lane as drivers try to get to Exeter Airport area cutting out the A30. There are no plans in the application to mitigate the effects of the additional vehicle movements the extra properties will bring.

It is frankly ridiculous that the application claims there will no effect on traffic movements. The site is visited less than 6 times a year over the last 20 years. The proposal for 5 properties will obviously incur frequently daily traffic movements of the residents as wells delivery vehicles etc.

As the barns have been hardly used for at least 20 years a development with 24 bedrooms will significantly increase the noise levels for ever as there is virtually no noise created onsite for decades.

There is a significant risk of contamination in site from the asbestos in the roofing and walling elements including in the chicken shed due to be demolished.

Marwood road already suffers from frequent flooding and the new properties and hardstanding would only exacerbate these problems. The watercourse within 2m of the South side of the proposed site is subject to flooding when the culvert cannot handle sharp and heavy rain which happens often every winter.

Aylesbeare Parish Council has doubts about the Biodiversity Survey and Protected Species Report and would like the EDDC Ecologist to visit to confirm the many wildlife sightings of longstanding local residents.

The Structural Surveys are at odds with the observations of local residents who have watched the decay of the barns almost to dereliction over at last 20 years.

Sewage and drainage are a major consideration as the private water supply to neighbouring properties may be compromised. There is not sufficient room or access to suitable watercourses for the proposed treatment plant given the boundaries, affected buildings, wells and boreholes. Both possible watercourses dry up in the summer.

All but one of the proposed properties exceed the 150m² limit imposed by the Order Q1(c) and the total development exceeds 1000 m² contrary to Q1 (d) (ii). For the avoidance of doubt the sizes are – Dwelling 1 – 300 m² Dwelling 2 - 194 m² Dwelling 3 - 200 m² Dwelling

..... Chair Initials

– 4 - 200 m² Dwelling – 5 130 m² according to the submitted block plan. Finally the fourth bedroom of one dwelling in Barn 2 & 3 does not appear to have a window which the Council notes is one of the issues on which such applications are judged.

8.1.2 [25/1228/PIP](#) Cherrytrees, 25 Village Way Two new self-build dwellings Council **RESOLVED** to ratify the comments submitted by the clerk using the resolution at April's meeting for the similar previous application at this address.

The comments submitted were:

Aylesbeare Parish Council objects to this application as it is over-development of the site with limited parking, access and amenity space, well beyond the established building line. With no details available proposed occupancy numbers cannot be ascertained. This would affect the likely number of vehicle movements. There are no details of the access drive including visibility splay and turning areas. Further, it has not been confirmed whether these will be for sale or rent on the open market or will be holiday lets.

8.2 Applications

8.2.1 [25/0620/FUL](#) Land & Buildings At Barton Farm Village Way New dwellings Council acknowledged that the proposed dwellings will be more thermally efficient now the intention is to demolish the barn. The footprint and height won't change. The proposed appearance is similar to the previous application to convert.

Council **RESOLVED** to support the application and urges the planners to give a condition that supports any displaced wildlife with provision for bats, swift/swallow bricks and similar.

8.2.2 [25/1249/CPE](#) New Bungalow, Leats Farm, Withen Lane New building Council **RESOLVED** to support the application and urges the planners to give a condition that supports wildlife with provision for bats, swift/swallow bricks and similar.

8.3 Appeal

8.3.1 [APP/U1105/C/25/3365394](#) & [3365395](#)

Land at Exmouth Road, EX5 2DE Static Caravan

Council noted that this is an appeal against

Council **RESOLVED** to comment that they support EDDC's Enforcement action in this case.

8.4 Consultations

8.4.1 Devon Pension Fund Employer Rep. on Investment & Pension Fund Cttee
Unfortunately no Cllrs are available to undertake this role.

10.3 Quarterly Budget Review

Council **RESOLVED** to approved the end of year budget outturn for 2024-25 noting the exceptional, one-off spend on noticeboards which inflated the Grounds Maintenance expenditure for the year. The clerk apologised that the Staff Costs budget had been set so high and could only speculate that this was a typing error when constructing the budget.

10.4 Payments Council **RESOLVED** to make the following payments:

10.4.1 Churchyard Donation Agreed in May £ 475.00

10.4.2 Internal Auditor Professional Fees £ 112.20

Internal Audit Report for Aylesbeare Parish Council dated 31st May 2025

The internal audit was carried out on the 23rd May 2025 examining all pertinent documents after checking the website of the Parish Council.

Internal control objectives A to N were checked alongside other items pertinent to good governance of the council – comments as follows.

- The Practitioners Guide assertion 10, digital and data compliance, states under email management, that every authority must have a generic email address hosted on an authority owned domain such as .gov.uk or .org.uk. This makes the emails more secure. It is advisable that councillors do not use their personal email addresses for council business. Gmail is not a secure email server and is not recommended for parish councils. Your data is at risk and I would like to see generic email addresses adopted by all councillors.
- The CIL report on the website is dated 2020. This is a requirement to be updated annually.
- Council's risk assessment should be reviewed annually
- The asset register needs to be updated
